## ORDER NOW. SHIP LATER.

It's easy to get ahead of giving. Order now and if you request delivery by a particular date or holiday, we'll hold your orders and ship them to arrive on time.

## THE STRONGEST GUARANTEE IN THE BUSINESS

You and those who receive your gifts must be delighted, or we'll make it right with either an appropriate replacement or refund.

## ARRIVAL DATES, SUBSTITUTIONS, AND SHIPPING

- Quantities are limited and orders are subject to availability. If, after we take your order, an item becomes unavailable, we may substitute an item of equal or greater value.
- Delivery of fresh fruit products can vary depending on harvest and/or weather conditions. Actual arrival could be earlier or later than the original scheduled arrival date.
- Because adverse conditions can sometimes affect shipments, your order may be shipped to arrive earlier than the requested arrival date.
- If your mail order is received too late to meet your requested arrival date via standard shipping, we will upgrade to express shipping and charge you accordingly.
- If rising costs affect shipping charges, a surcharge may be included and will be reflected in your order total.
- Incorrect addresses may delay the arrival date. To ensure your order arrives in perfect condition, we recommend shipping to a street address, not a PO Box.
- We will ship your order using any effective shipping services available.
- All shipments FOB Harry & David.
- We reserve the right to correct error(s) in printed or electronic publications.
- Prices effective through December 25, 2020, and are subject to change without notice.
